

Parent Volunteer Obligation Form

Barracuda Parents,

For the past several years we have been struggling to get enough volunteers each meet. You may not know that it takes approximately 45 people per home swim meet to just cover the basics. This is not including the many hands that help with committee, set up, coaches, or away team helpers. For away meets most pools require us to bring about 15 volunteers as well. We will be having three home meets this season and only covering our positions we will need over 135 people. We simply cannot make a meet function without your help.

The requirement for summer swim has always been to work four meets per family. New this year we will be adding a \$40.00 charge per missed volunteer if your family does not meet this requirement. But we will also be offering an incentive for parents who volunteer more than their four times. Families who go above and beyond will be entered into a drawing. We will be giving out three gift cards at the banquet for those who are entered into the drawing.

Parents, grandparents, aunts, uncles we need you. Your kids need you. We cannot run a successful swim meet without the help of many. Allowing our kids to have such a wonderful summer recreational program is such a gift. We need to work together to make sure we can keep providing that.

Thank you,

New Bremen Swim and Dive Committee

By signing below, I understand that my child's family is required to work four jobs to fulfill our obligations. If these four jobs are not worked I will be charged \$40.00 per missed volunteer opportunity. Multiple jobs can be fulfilled during the same meet.

******Note: Parents of ONLY DIVERS will need to fulfill two jobs.***
